REPORT OF PRINCIPAL AND SCHOOL
IMPROVEMENT COUNCIL

Saluda High School is dedicated to providing students with the best possible opportunity to receive an excellent education. We believe in holding all students and staff to high standards and fostering an environment in which everyone can be successful. The 2013 – 2014 school year has been another great year for the students, faculty, and staff of Saluda High School. Saluda High School continued implementation of Common Core State Standards, continued teacher collaboration that focused on student learning, and placed an added emphasis on preparing students for the SAT and ACT college readiness tests. The graduating class of 2014 consisted of 145 young men and women. Seventy-five seniors were eligible for both two- and four-year Life Scholarships and three seniors received the Palmetto Fellows Scholarship. Our graduating class amassed \$4,076,808 in scholarship money, the most in school history. This was an outstanding accomplishment for our seniors.

Once again, our athletic teams, clubs, and organizations excelled on the regional and state levels. The Saluda High School Athletic Department had five athletes named to All-State Teams, one athlete invited to play in the Under Armour Game in St. Petersburg, Florida, and twelve student-athletes signed National Letters of Intent to play collegiate sports. Our HOSA team had a total of 21 students to place in various categories at the State HOSA Conference and one student was elected Vice President of the SC HOSA Association for the 2014-2015 term. Three band members were named to the prestigious SC Band Director’s Association Region Band and one art student placed 2nd in the S.C. Reel Art Fish Contest. Our Agronomy Team placed 1st in state competition and our FFA Judging Team placed 2nd in competition at Clemson University. A Broadcast Journalism student won the high school division of the Lander University Film Festival and our students were involved in numerous charitable projects including: Breast Cancer Awareness, Pennies for Patients, St. Jude Children’s Research, and Special Olympics.

We pledge to build on the success we had this year and continue to improve in the months and years to come.

Dr. Harvey H. Livingston, Principal Mary Bates,
Chairperson School Improvement Council
